

Ever sail in a
Firefly?

Welcome to Joss Whedon's vision of the future known to fans worldwide through the short-lived TV show, *Firefly*, and the full-length feature film, *Serenity*. Some of today's hottest names in Hollywood: Nathan Fillion (Adam, *Desperate Housewives*), Summer Glau (Cameron, *Terminator: The Sarah Connor Chronicles*), and Adam Baldwin (John Casey, *Chuck*), come together to tell a story that is nothing like you've ever seen before. *Firefly* and *Serenity* take 'verse where covered wagons and spaceships; horses and hover six-shooters and lasers co-exist. This is a future that explores the just exactly what it means to be a

Big. Damn. Hero.
